Commercial Kitchen Supply

FES BRANDS

Who are we

At FES Brands North America, we focus on providing private label services to dealers in the food service and hospitality industry. Our deep product knowledge and strong ties with many original equipment manufacturers enable us to achieve the business goal that strike outstanding balance between quality and cost of products. We offer a wide variety of products that adhere to the food service industry standard. Our all-inclusive private label services include product sourcing, manufacturing, and logistics handling. In addition, we collaborate with partners to develop new products, and provide opportunity to strengthen their brand value and achieve outmost profit margins.
